Everton in the Community Visit – A small group of children from year 4 were invited to the people’s hub on Spellow lane near to Goodison Park to take part in a digital skills lab project. There they talked to families who have suffered with dementia, reminiscing about past artefacts and stories. Half way through the session we had a surprise visit from three members of the Everton men’s first team - James Tarkowski, James Garner, and Dominic Calvert-Lewin. Everybody had a wonderful time and Dominic even said he would do one of the children’s celebrations the next time he scores! Look out for the community project video which will be released in April.
