

HEADLINES

Canal and Rivers Trust – Year 4 and 5 had a lovely visit this week from the Canal and Rivers Trust. As part of our Geography curriculum we look at the local Geography around Netherton Moss and study it. Year 4 looked at how the Leeds-Liverpool Canal was made and the history behind it, before building their own model and Year 5 learned all about the River Mersey and also built their own model too. The children really enjoyed the sessions and came away with a fantastic understanding of both features of our local landscape.

Everton in the Community – Year 5 had a lovely day at Everton in the Community. We took part in an active Science day learning all about our bodies, how we can stay healthy and forces. It was a great engaging experience!

The Sunflower Calm Corner! – Sunflower class have been working on building a pond recently. The children want to create a space to encourage different species of wildlife into our outdoor space. The children have named that area of our garden 'The Sunflower Calm Corner' as they enjoy listening to the sound of the fountain and the smell of the lavender.

Outstanding school meal accounts – Please ensure any outstanding balances for school meal payments are brought up to date. Thank you.

NOTICES

AFTER SCHOOL CLUBS

Mon 3-4pm Chess Yr 2/3

Tues 3-4pm Boys Football Yr 4/6
