## HEADLINES

**LJMU gala day** – Year 5 had a great time attending a gala day at LJMU university to share what they have found out about cleaning dirty water through their participation in the clean water project.

**Wally Cain Dance Festival** – What a fabulous evening at the Wally Cain dance festival, where our children did the most fantastic dance! They were positively beaming and made us so very proud! Well done to all! Thanks to Miss Walsh and Miss Ray for all their hard work and creativity which has enabled our children to shine!

**Eureka! Science & Discovery Centre** – Year 4 had a wonderful day at Eureka exploring science in the home, nature and body. They also watched a hands on experiment to show the digestive system. They loved it !
