

HEADLINES

Year 5 trip to Laurel's Wood – Year 5 spent the day at Laurel's Wood with Everton in the Community. They had a brilliant day building fires, carving wood, making natural fiddle tools and going on a scavenger hunt. They also did some wood carving and enjoyed eating their lunch under the trees! They had a lovely time!

Past Productions Greek Mythology Workshop – Past Productions visited year 4 Willow class recently. They had a great day developing their knowledge of ancient Greece through art and drama. The children loved the props, costumes and tasks!

Safe Parking – Please would parents and carers park safely and considerately when dropping off and picking up from school. Please **DO NOT** park on the pavements. There have been a number of complaints recently from people trying to navigate blocked pavements with a wheelchair, prams and young children, and having to walk in the road. There is a car park for your use. Please be considerate to our neighbours and help **KEEP OUR CHILDREN SAFE!**

A Career Carousel morning arranged by Positive Footprints Organisation was enjoyed by year 6 children in Maple Class. Representatives of a range of different companies and businesses came into school to talk to the children about different careers, answering their questions and helping them to identify their skills and attributes needed in the world of work.
