The Canal and River Trust – have been working with Bluebell Class for their current history topic, ‘The History of Travel and Transport in Liverpool’. They came to school to deliver a workshop about how and why canals were built, and then we joined them at our local section of the Liverpool and Leeds canal to see some of the things we had learnt about in person, including rope rubbings in the stone bridge caused by the horse-drawn barges!

World War One Trip - Year 5 had a fabulous day out on Thursday to enhance and support their learning about World War One. They visited Kings Gardens, Bootle, Lime Street Station, St. George’s Plateau and the Liverpool Museum. They learnt all about the Liverpool Pals – soldiers from the Liverpool Kings Regiment and explored WW1 displays and artefacts. A great day was had by all!
