

HEADLINES

Welcome back and Happy New Year to everyone! The new term is under way and we will keep you updated with all events and happenings as we know about them.

On Friday 7th February (Wednesday 5th for Nursery), we will be taking part in the NSPCC's number day and Dressing up For Digits! Just like last year the children are invited to come to school wearing something with a number on or even fully kitted out in numbers. There were some fantastic homemade outfits last year! We are asking for a £1 donation towards the NSPCC on this day. During the day the children will be doing lots of fun Maths activities and challenges!

Year 5 had a fun morning making bread when ASDA Community Partnership came to visit. The children enjoyed breadmaking, looking at yeast and tasting different breads from the supermarket. Each child made a loaf of bread to take home.

Year 1 had a fabulous day in immersive history, accompanied by Queen Victoria, and looking at British History.

A truly 'Viking Experience' was had when a Viking Raider came to visit year 6 and taught them all about life as a Viking!
