

## HEADLINES

**SATS Are Over!** - The children in Year 6 celebrated the end of their assessments with a day of cooking and a trip to the park. The children in Maple Class have worked very hard during the year and the attitude and effort they showed during the week of the tests was exemplary. They are looking forward to the second half of the summer term with lots of new and exciting topics to enjoy ahead of their Leavers celebrations at the end of term.

**Summer Concert** - It was a pleasure to welcome family and friends who came into school to enjoy the KS1 Summer Music Concert. The children in Daisy, Poppy and Bluebell Classes shared their amazing musical talents with a range of singing and performance pieces. On Friday Morning it was the turn of KS2 when Clover and Willow Classes sang and played a wide range of music on their recorders followed by Oak and Maple Classes who demonstrated their remarkable skills on the clarinet, performing a repertoire of over 12 pieces between them. The progression in music throughout the school was there for everyone to enjoy and celebrate. Thanks to those who attended in such numbers and the school staff and music teachers who support the children. Most of all we must thank our talented musicians of every age for the entertainment and enjoyment they shared.

**Year 4 Willow Class trip** – Willow Class had a fun time on their trip to the Eureka Science & Discovery Centre where they learned all about their bodies and digestive system by watching a science experiment called Chew to Poo!

**Mayan Workshop** – Year 5 Oak Class took part in a Mayan Workshop when Past Productions came to visit. They had great fun learning all about the culture and daily life of a Mayan native, and their love of Astrology.
